

## No More Rheumatism.

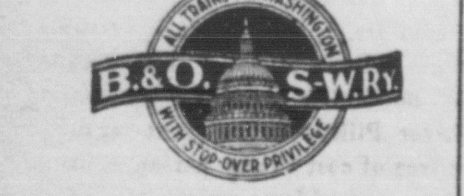

For years my wife suffered from rheumatism. She tried many remedies, but got little benefit, and we had about given up all hope of relief when we heard of Ely's Cream Balm, and my wife began using it. This great medicine has, apparently, driven all the poison out of her system, and has certainly released her from a life of pain.—G. P. Cushing, North Abington, Mass.

Ely's Cream Balm cures diseases of the Nerves, Stomach, Liver and Kidneys. Sold by drug stores, or by mail. Trial Size, 10 cents by mail. ELY BROTHERS, 50 Warren Street, New York.

**Nasal CATARRH**  
In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Drug stores or by mail; Trial Size, 10 cents by mail.

## LAST MOVE IS MADE

In Terminating Spanish War Negotiations at Washington.

## JULES CAMBON RECEIPTS

For \$20,000,000, the Price Paid to Spain for the Philippine Islands. Congressman Dooliver on the Speaker'ship—Attention of Postoffice Department Called to Atkinson.

Washington, May 2.—The last move in the negotiations for terminating the war with Spain occurred yesterday when Secretary Hay paid to the French ambassador, M. Cambon, the \$20,000,000 provided by the treaty of peace for the cession of the Philippines. The payment was made in four treasury warrants of \$5,000,000 each and was received by M. Cambon. The ambassador deposited the \$20,000,000 in the Riggs National bank of this city, and the cashing of the warrants is expected to be made later through the City National bank of New York. The Spanish government was notified by cable of the payment, but nothing will be done as to forwarding the funds to Europe until Spain directs the exact course to be pursued.

The form of receipts signed by the ambassador, was as follows:

Received from the secretary of state of the United States the sum of \$20,000,000 in four drafts upon the assistant treasurer of the United States at New York, No. 4,509, 4,510, 4,511 and 4,512 of date April 29, 1899, each draft being for \$5,000,000. The same being in full payment of the obligation of the government of the United States to the government of Spain as set forth in Article 2 of the treaty of peace between the United States and Spain, signed at Paris, France, on Dec. 10, 1898, the ratifications of which were exchanged in the city of Washington on April 11, 1899. The payment being provided by the act of congress approved March 2, 1899, entitled "An act making an appropriation to carry out the obligation of the treaty between the United States and Spain, concluded Dec. 10, 1898." JULES CAMBON, Department of State, May 1, 1899.

## GILMORE PARTY

Only Ten of the Fifteen Accounted For by Admiral Dewey.

Washington, May 2.—Inasmuch as there were 15 members of the Yorktown party, captured by the Philippines at Baler, and Admiral Dewey accounts for only 10 of them, it is feared that the other five have been killed. They probably were killed in the original assault upon the landing party. The identity of the members of the party still unaccounted for is not known.

A telegram was yesterday sent to Admiral Dewey asking him to inform the department, if possible, of the names of the men known to be in the hands of the Philippines. It is accepted at the department that the reason that he has not furnished these names, with the exception of that of Gilmore, in his dispatches was because he did not have the information.

The insurgent headquarters where Admiral Dewey says the men are held prisoners is supposed to be San Fernando, but there is no assurance on that point.

## SPEAKERSHIP.

Congressman Dooliver Will Try to Unite Western Men.

Washington, May 2.—Representative Dooliver of Iowa, who is pushing General Henderson for speaker of the house of representatives to succeed Mr. Reed, yesterday, in an interview, said that Mr. Sherman of New York would win unless the western congressmen united on a candidate, and that, consequently, when he reached Chicago shortly he would suggest to Representative Hopkins of Illinois, and other western candi-

## CURIOUS RESULT

Order of General Wood May Temporarily Legalize Polygamy in Cuba.

Santiago de Cuba, May 2.—It is pointed out that a curious result of Major General Wood's announcement that the marriage ceremonies of all religious sects are legal may be the temporary legalization of polygamy. In any event there were some 8,000 "irregular" marriages in this province during the war, as there are no marriage laws except those of the Roman Catholic church. The new order insures the legitimization of the offspring of such unions.

Juan Caballero, a noted bandit, has been executed at Mayari. The rural guards at Holguin shot two outlaws who were attempting to escape.

## ANGLO-SPANISH

Agreement With Reference to Spheres of Influence in China.

St. Petersburg, May 2.—The Anglo-Russian agreement with reference to spheres of influence in China is not in the form of a convention, but is set forth in a note, duplicates of which have been exchanged between the Russian minister for foreign affairs, Count Muraviev, and the British ambassador to Russia, Rt. Hon. Sir Charles Scott. The preamble states that, both countries agree to uphold the integrity and independence of the Chinese empire.

## Altgeld's Condition.

Chicago, May 2.—John P. Altgeld late last night was reported to be in an improved condition. Dr. Nicholas Senn said: "While the ex-governor is not strong, there is no reason why he should not enjoy a considerable lease of life if he will throw off the depression which weighs him down, and go where he may enjoy complete rest. I do not think he ever will be in condition for another long campaign, however."

## OFFENDING EDITOR

Called to Time by General Ludlow at Havana.

Havana, May 2.—During the last few days some of the local papers that are printed in English have published sensational stories regarding the disputes between the soldiers and the Cuban police, evidently with the intention of preventing an understanding between them and, if possible, of stirring up more trouble. General Ludlow, military governor of the Havana department, summoned an offending editor before him and warned him that he must desist trying to embroil the soldiers and police.

## PEANUT TRUST

Combine Expected to Be Effected by May 15.

New York, May 2.—A consolidation of the peanut industry of the country under the control of a single company with a capital of \$5,000,000 is about to be effected. The promoters of the consolidation several months ago secured options from many of the peanut growers. Some of the larger ones declined to give options, but it is said that, now that the plan of consolidation is known, most of them are willing to sell and take stock in the new company. The options expire on May 15 next, and the promoters express confidence that the new company, which is to be called the American Peanut company, will be incorporated before then. The value of the peanut crop of the United States annually, is estimated at between \$6,000,000 and \$9,000,000. One of the plans of the consolidation is to increase the product and export part of it. The peanut crop of the United States is raised almost entirely in Virginia, North Carolina and Tennessee.

Two Thousand Sheep Burned in South Dakota—Buildings Lost.

Nearly one-third of Brule county has been burned over, many buildings lost and much stock burned. Near Parker considerable damage has been done and the town itself had a close call from destruction.

It is feared that much damage has been done near Huron. Near White Lake S. D., 2,000 sheep were burned on the ranch of M. W. Russell.

## LABOR TROUBLES

Four Strikes at Cleveland and One of Them Was Successful.

Cleveland, May 2.—There were several strikes here yesterday. Two hundred lathers struck for an 8-hour day and \$2.50. Before noon they had secured what they asked for and returned to work. Two hundred plasterers also struck for \$3 a day for eight hours. About 50 hod carriers went out on a demand for an advance from \$1.50 to \$2 a day. Seventy-five structural ironworkers also struck for 35 cents an hour and for an 8-hour day. There was no disturbance of any kind.

## TINPLATE WORKERS' CONVENTION.

Columbus, G., May 2.—The annual convention of the Tinplate Workers' International Protective Association of America convened here yesterday in secret session, with every local union represented. Routine business largely occupied the day. The report of the scale committee may not be submitted until the middle of the week. It will not be made public until after the conference between the wage committee and the American Tinplate company, at a date to be named by the latter. The conference will probably be held in Chicago.

## Quiet at Wardner.

Wardner, Ida., May 2.—There were no disturbances in the mining district yesterday. Eleven men were seen from Wardner going over the mountains, each with a rifle on his shoulder, but their identity or destination was not known. ## DEWEY DAY

Chicago Celebrates the Admiral's Victory at Manila.

Chicago, May 2.—Flags were unfurled throughout the city yesterday and portraits of Admiral Dewey were displayed on every hand, though there was no cessation of traffic on account of the holiday. In the public schools the thrilling events that took place in Manila bay one year ago were told in song, poem and story.

The Ashland club celebrated Dewey day with a banquet last evening, at which patriotic addresses were given by Charles K. Ladd, Judge Peter Grosscup and others.

A banquet was also given by the Quadrangle club of the University of Chicago. It was termed an "expansion dinner." Among the speakers were Congressman James R. Mann, Judge Henry V. Freeman and Dr. Emil G. Hirsch.

One of the most interesting of the Dewey day celebrations was the first performance at the Auditorium under the management of C. L. Graff of Walter Damrosch's "Manila Te Deum." The work was sung by the Apollo club with Madame Gadsdick as leading soloist, and was conducted by the composer. The Te Deum was composed in honor of Admiral Dewey's victory.

One would be to put into force the military regulations and send you to the guardhouse; the other would be to send you before the local judges, for the applications of the Spanish law. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative power, that they offer One Hundred dollars for any case that it fails to cure. Send for list of testimonials.

# STOMACH TROUBLES.

Caused by Loss of Nerve Force, Weakened Vitality  
Nervous Prostration Cured by

## Dr. Miles' Nervine.

It cannot be too strongly impressed upon the minds of American men and women that the nerves rule every action of our bodies and control all the affairs of our existence. The nervous system is the fountain from which flows the very essence of life, and which preserves throughout all the years of our lives that personality and individuality that makes each one of us what we are. When the nerves become irritated or exhausted from sickness or strain, when the brain has been weakened from over work, loss of sleep, or any cause whatever, derangements of the nerve centers follow, and such manifestations as sick headache, loss of appetite, flatulency, sour stomach, dyspepsia, nervousness, irritability, follow as a natural result. Dr. Miles' Restorative Nervine is fully competent to correct all such disordered conditions of the nerve centers. It gives the tortured nerves a rest and permits them to recover their tone and steadiness. It invigorates the digestive organism, puts new life into the blood and soothes the tired brain to sweet, refreshing sleep. By its thousands of weak, sickly, incompetent invalids have been made strong and healthy.

"Four years ago I suffered an attack of bilious fever which left my stomach

in a very weak condition. The nerves seemed to be prostrated and I suffered distressing pains after eating. Gas would form in my stomach and cause me to feel weak and sick. I was treated by physicians in Portland, but they were unable to relieve me. A friend advised me to take Dr. Miles' Restorative Nervine, which I did. The results were in every way entirely satisfactory. I was cured of my stomach trouble and since then my health has been splendid."

STEPHEN W. SHACKFORD,  
Gorham, Maine.

"I suffered with nervous dyspepsia which caused me much trouble and uneasiness and which refused to yield to the doctors' medicine or advertised remedies until I commenced using Dr. Miles' Restorative Nervine. I am happy to say that after using that great remedy for a few weeks my stomach trouble entirely disappeared and I have not seen a sign of dyspepsia since."

W. I. WASHBURN,  
Westfield, Pa.

"Loss of sleep and the care and anxiety from attending a sick bed broke down my nervous system and I lost all my good natured feelings. I had no appetite, my digestion was badly deranged and I was dull and

tired all the time. In two days after I began taking Dr. Miles' Restorative Nervine I could see a change for the better. As I continued the treatment my appetite returned, my sleep became restful and refreshing and in a week I was up and about the house. Since that time my health has been splendid."

Mrs. FRANCES COFFMAN,  
Rushville, Va.

"For nearly three years I suffered with severe stomach trouble. Would have a cramping pain in my stomach that would almost seem to kill me. When the doctors failed I began using Dr. Miles' Restorative Nervine from which I received untold benefit. I was finally cured of the trouble and for several years have enjoyed excellent health."

M. G. COMBS,  
Petersburg, Ills.

### Sample Treatment Free.

A trial package of Dr. Miles' favorite treatment consisting of Dr. Miles' Restorative Nervine, Dr. Miles' Anti-Pain Pills and Dr. Miles' Nerve and Liver Pills, will be sent absolutely free of cost to any person sending names and address on postal card, requesting the samples and mentioning the name of this paper. The old soldiers are requested to meet at Armory hall at 10:30 previous to the arrival of the train tomorrow and receive their tickets to the banquet from Comrade John A. Weaver.

In the evening the old soldiers and the young soldiers, all of them who are here, are expected to meet at the G. A. R. hall and form line of march and go to the opera house. With the Seymour boys will be a number of the members of the Browns' own company under command of Capt. Applewhite.

At the opera house there will be a number of addresses appropriate to the occasion, and several selections of good music. The public is invited to this meeting.
